Recommendation Letter for Lt. Jason Etzler for Permanent Chief of Police Position

To: Taneytown Mayor and City Council

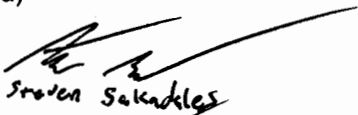

We would like recommend Lt. Jason Etzler for the permanent Chief of Police Position. We feel that Lt. Etzler would be an exceptional Chief of Police for the Taneytown Police Department. There has been newspaper articles reporting that an anonymous letter characterized Lt. Etzler as ruling by fear. We believe that Lt. Etzler was unfairly blamed as being a part of Ex-Chief of Police William Tyler's actions and poor leadership.

In closing, We have the utmost confidence in Lt. Etzler's ability as an police administrator. We believe Lt. Etzler is the right person for the permanent Chief of Police position and he will be able to lead the department effectively to serve and protect the citizens of the City of Taneytown.

Thank you for your time.
